

# WAKATU BIO

Origin: New-Zealand

Wakatu was developed by the *New Zealand Institute for Plant and Food Research* and released in 1988 under the name 'Hallertau Aroma'. It was renamed 'Wakatu' in 2011. It has very round aromas, with a nice citrus freshness while

offering real bittering capabilities.

It can be added at all stages of the brew successfully and is known for its stable flavors.
