

# GOLDING

A classic English hop, Golding is one of the oldest hops used in beer making and complements Fuggle well by adding floral and citrus notes. Like Fuggle, it is named after the hop grower who developed it. This variety appeared in the United States in 1995.

## TYPE OF HOPS

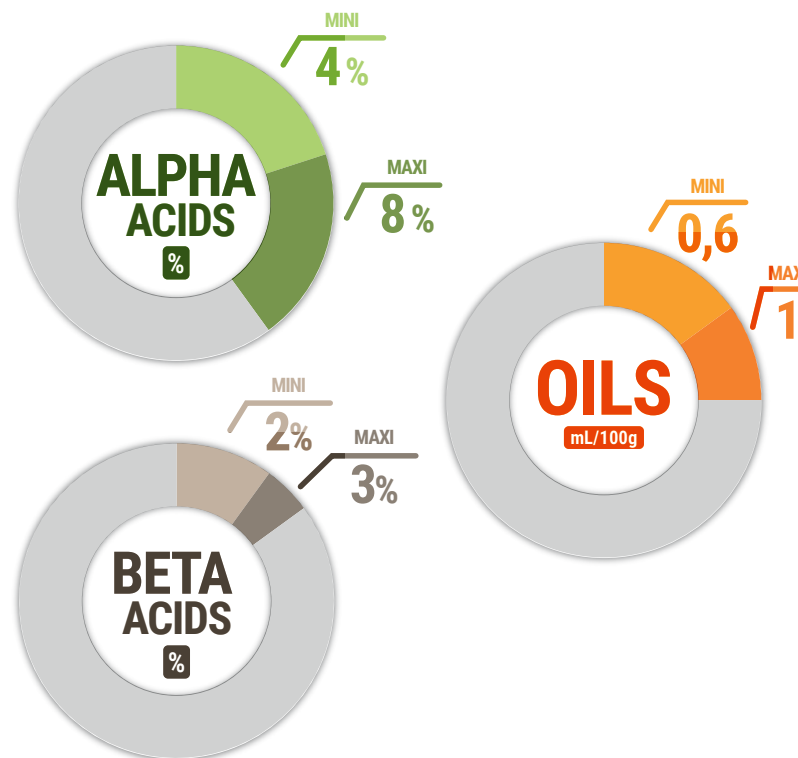

Aromatic

## FORM

Pellets

## ORIGIN

Belgium

## ACIDS

Alpha: 4 - 8% - Here: 5%  
Beta: 2 - 3% - Here: 2%
